# ワンダーラビットガール

Wonder Rabbit Girl

"Be gentle, okay..?"
"This time, I wanted to make you feel good"
Ah...! Ahh...
Haa-
Geez ...
Didn't I tell you to be gentle...
Don't be so violen- aahhh...!
Th-this is my first time, so don't-
W-wait...
Ah...! Ahh...!

But...
I love that forcefulness since it fits you...

Hey...
What's wrong?

I will be a man from this day forward.
Now... At last, the time has come.
But...
Really, don't mind me...
Oh no... I guess I was just getting mentally prepared?
It's like you've been dozing off for a little while now.

Ahh... What do I do? N-now I'm suddenly feeling a bit uneasy...
If she says something like "Ow!" or "God you suck at this!", I'd probably cry and wither away.
By now, I've been abused by girls for 16 years...
Open it... ♡

Honestly, I never even fathomed a day like this would come...
N-no, calm down... I'm sure there's no way anybody would be filled with confidence in the beginning!
And, even though this looks like a standard-size, the diameter looks awfully wide...
That said, I think I just need to keep the condom in my hand since nothing is happening

Very well! Let's get some action!
Not only am I thinking for myself. I'm confident that I've rapidly developed!
I should stop underestimating myself already...

I'm no longer in puberty, Big Brother!
Huh? What's wrong?
No, there ...
there's a minor defect...
ヒッ…
Ho-How!?
How did you get so hungry for pussy that you'd bring an XL!?

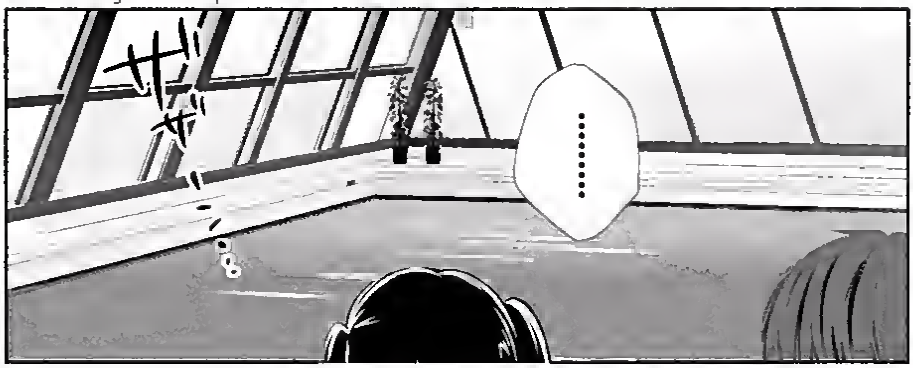
I... I'm sure there's a particular charm to wanting to brag about your junk, but...
There's a limit, even for that. .
That said, if I try to deceive her now that the seal's open...
In the end, I really don't want to say something like "the condom's too big"...!
I gotta handle this predicament being composed as much as possible. Not only that, but in order to survive the atmosphere that may follow...

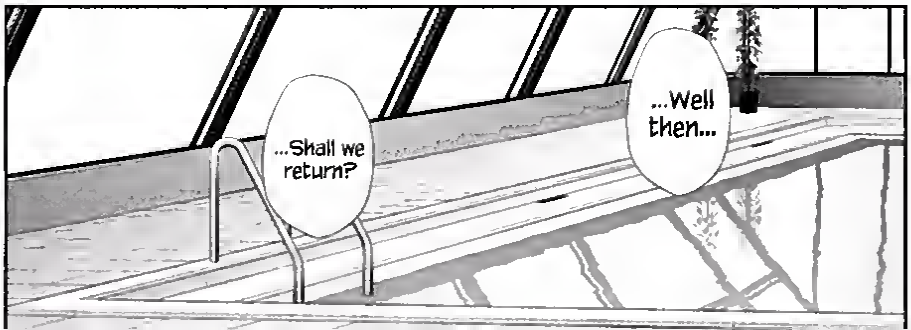
I... I think it's impure...!
In... the end... You see...
Fo-forcefully embracing you like that is...
...Nanami-kun... Could you...
this is the only thing I can do now...
...I-
I want you to listen.
Could you perhaps...
have been thinking that considerably, for my sake...?
Phew...
Somehow...
Of... course!

it seems you haven't noticed!
Once you bust out a condom in front of a girl, it's hard to claim you're still a virgin.
However, if I think ahead, I suppose I could say that this is great progress...
Even after I secretly switched that condom in your wallet!
You entertained me with that flustered look!
I have a feeling that I wouldn't be exaggerating even if I said I've reached the point where I'm only willing to bang pornstars
Honestly because of that, you could say that I've already been unmasked..
Thinking I'd actually be sucked in by those seduction tactics...
Honestly it's cause you boys are simple

Am I in, as some say, post-orgasm...!?
Is... is it possible that these unspeakable sensations I'm having right now...
These feelings of humiliation because of you...!!
Now you've realized, right!?

Note: Period after orgasm when a person cools down and returns to their senses





...Well,
I'll hold onto this for you in the mean-while.

Since I won't let it be used by anyone else...!

Somehow, today was a sensationally wonderful awakening, huh...?

Somehow,
I have a feeling that today, everyone's gazes are upon me...!
I, who came so close to Doomsday

Hey.
Are you... free right now?
Ah-
Nanami-saaan!

Actually, the president entrusted me with an urgent errand just now, but...
Unfortunately, I ended up needing to do another job too, so...
What the hell. This feels kind of awkward.
Ah... Vice-President.
Do you have business with me?
I'm sorry to ask this of you Nanami-san...
Could you borrow the reference book noted here from the library for me?
A book?
Well then, I'll be in the conference room, so...
...See you later...
Ah- Eh- Ah...
... Alright.
Sure!
I'm sorry... for the trouble ...

What the heck is this...
As you'd expect from the great Elite High's library...
Wow...

Hm?
Finding the book I need is going to be a pain...

No bloody way!

I was the one... who touched your hand..!

Ah- So-
Sorry ...!

B-but... I'm happy...
I'm able to talk with Nanami-kun again after so long...

My God, this is so awkward..!
For some reason, I... Right now... I'm getting a serious vibe that I'm in a romcom...!

W- woah!

An encounter with a bookworm in the library, huh..?
I merely touched her a little, but... It was small and warm, wasn't it...?
By the way...
Why were you planning on taking this book?
AV
But, how rare.
Nanami-kun... You barely ever come to the library, yet...
Eh...? Yeah... U U
I was given a small task of finding a book that'll be used by the student council...
But I don't know where this book is...
Ah, if you're looking for that book, I know where it is!
Eh...? Really!?
Yes, I think it was at one of the inner shelves a bit further in, but...

Ehh~ How amazing...
Despite there being so many books, you still remember where it is...
Ah, here...
It's these shelves.
Eh
Is it possible
that you *loaned* this book before as well?
...Eh? What's wrong?
Oh- Oh no ...
It's nothing ...

I... Reading books is my sole hobby, so...
This was a book I read just recently as well, so I remember.

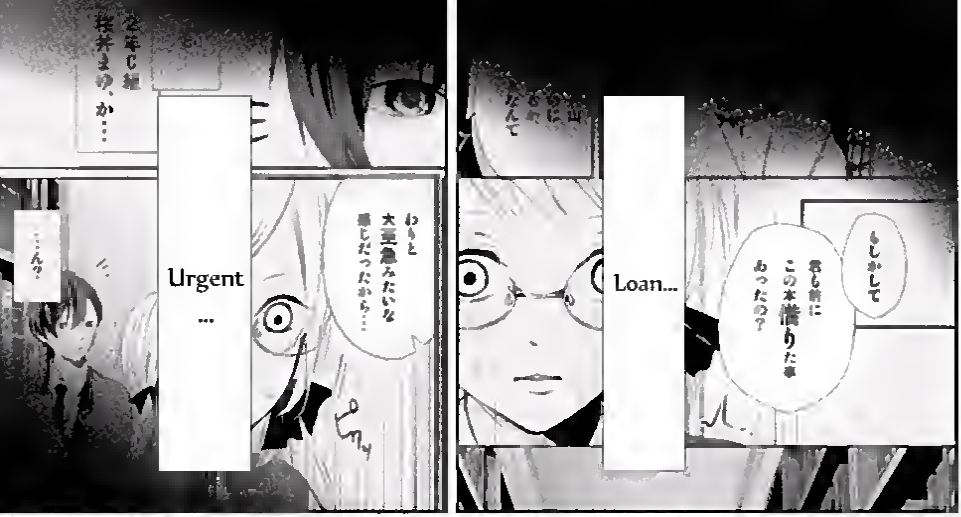
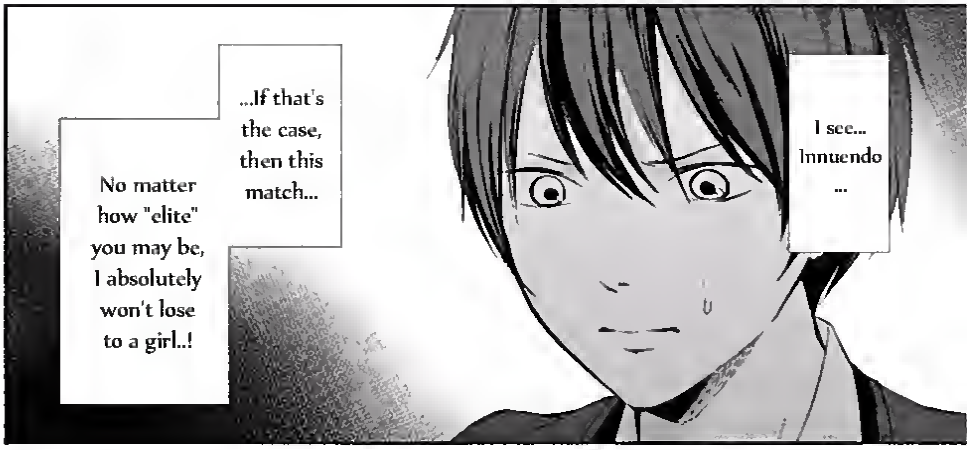
What the heck happened to this girl just now...?
That said, at what point...?

Since I'm sure there was some switch in our talk just now which stimulated this Elite girl...!
Try to recall...
And here I thought that by now, she wouldn't be surprised by anything coming her way.
Not good... This time, I have absolutely no idea what the fetish is...

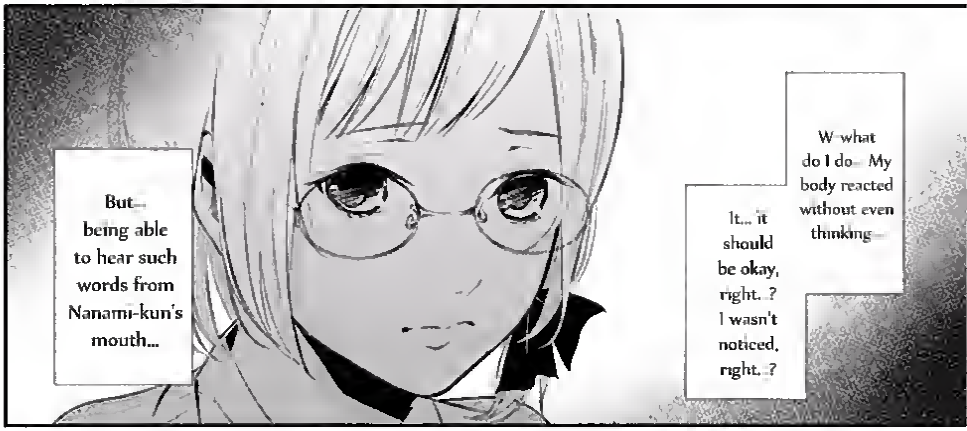


I'm not 100% sure, but "loan" is probably something like occupying someone for some sexy time while "urgent" is probably the idea of having fast sex. Regardless, she reads too much hentai

There's no doubt this girl might be a suspect too...!!
C-come to think of it, I've heard of this before!
There are people in the world who become aroused at obscene words...



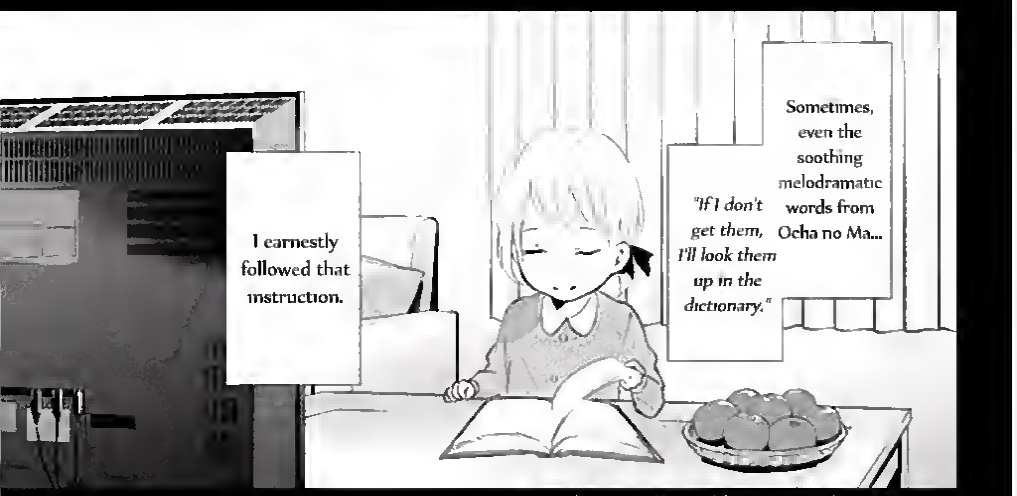
I see... Innuendo ...
...If that's the case, then this match...
No matter how "elite" you may be, I absolutely won't lose to a girl..!



W-what do I do... My body reacted without even thinking—
It... it should be okay, right...? I wasn't noticed, right...?
But— being able to hear such words from Nanami-kun's mouth...

Ever since that day...
My fetish...
is coprolalia ...

I would always carry around a dictionary,
and everyday, I would learn countless words.
That was what my parents taught me since I was little.
"Make sure to look up any words you don't understand!"



I earnestly followed that instruction.
"If I don't get them, I'll look them up in the dictionary."
Sometimes, even the soothing melodramatic words from Ocha no Ma...

Ocha no Ma is an old manga/TV drama in Japan.

Oyako-don = Parent and child donburi
For a person who reads the dictionary a lot, this is really...
O-oyako-do...
...Even Sensei is saying it with a straight face, but...

I gained vast background knowledge that nobody knew about.
Ah..! Nonami-kun..!
Sakurai-san.
Here's a copy.
Depending on the time and place, it wouldn't be odd if a PTA came at me.
"Words" are rather strange...
PTA = Parent-Teacher Association
It... It must mean you don't know its other meaning, right...?
A famous once-in-ten-year genius like you, saying such a thing...
Na-Nanami-kun, what are you saying all of a sudden...!?

It'll be fun!

... The Raw Drawing Convention ...
I... I think it'll be fun as well!
Sakurai-san? Is something wrong?
It... It's nothing...!
Calm down... Don't think of anything lewd...
Words are a much more beautiful thing you know...!
Time passed, and when I became a junior high student,
I steadily progressed on the path for Elite.

...The more I grew up like this...

It... it'll be fine... In the end, I'm sure he hasn't noticed... right?
Thinking of this sort of thing... Damn it, me...!
What should I do... Despite Nanami-kun being beside me of all things...

Could I take a look at that corner for a sec?
Hey... Sakurai-san.
ビク!!
Sorry, they still haven't purchased this month's issue yet...
Yes, of course!
Ah... The fashion magazines, correct?
Mm... Nothing worth noting for me...
I'm not familiar with fashion or style...
Sakurai-san, what do you read monthly?
I like the candy features from these sorts of magazines.

Next time you find it, buy one! I strongly recommend it!
The one Nanami-kun likes...
Which is it?

I see... Then, did you know about this?
It's a new pudding that came out recently, but it's super delectable!

So you want to be splashed *that* badly

Nanami-kun... That time, the words you said..
that I could feel this good just from being splashed on by you...

I... had great fun as well.
Fare-well...
...Raw Drawing Convention...
This girl has started talking about something unimaginable!
Somehow, it seems I found yet another
chink in an Elite girl's darkness...
Er-erm... I'm sorry to do this while we're in the mood, but I have something I'd like to ask.
H-how should I say it.. You've been carrying a huge bomb haven't you..?
Nanami-kun's... white pants...
Eh!? What? What are you talking about!?
Do you know anything about the "Wonder Rabbit Girl"?

Eh... What should I do?
She's definitely making a face that's implying I've changed to some sort of jargon, but...
Just how much is this Elite girl obsessed with innuendo...?
I have a really unpleasant situation with that-
I... I'm sorry!
Eh...!? Wait-
It... it's a misunder-standing-
And now I'm getting the vibe that I sexually harassed her!
It's like I won the round but lost the game, crap!
Wh... what was with that girl...
And once again, I wasn't able to ask about the most important thing...
-But well, from the looks of things...

Sakurai Mayu of 2nd Year Class C...
Erm...
Shh
...Huh?
At any rate, she's probably in the Fetish List too, but...
What was it again... Love and sexual attraction to innuendo, I believe.
She's not on here!?
Eh!?
...So even an Elite girl *not* on the list
could be *that* lewd, huh...?
カード
.....

The world is a huge place, Big Brother...
...I'll add her to the list just in case.
She might be of use to Big Brother!

Dong
Haa... In the end, there wasn't any harvest yesterday either...
Perhaps I'm fated to just lose all of the Elite girls like this...
In that case, it's fine...
Ah...!
Nanami Renn!!

You... recently asked, right?
It's not a big deal, but there's something I forgot to say yesterday!
What do you want with me-

Eh... Narusawa-san?

Eh...!
About a "Wonder Rabbit Girl" or something.

Okay, okay! And!?
...She stole it, didn't she?
That's when I saw it! That phrase!
I... earlier... accidentally picked up his Student ID notebook, but...

Is... is it possible you know something ...!?
"Know" ...
Look... There's a person in Class B named Kokonoe, right?
